PANNEAUX MURAUX

FIABLE & ROBUSTE

Nos panneaux muraux **VIPANEL** sont faits en aluminium et en composite. Ces matériaux, **légers et résistants**, garantissent la robustesse et l'étanchéité des murs.

DESIGN

Recoupables et pliables, les panneaux **VIPANEL** s'adaptent à toutes les configurations de salle de bain et offrent un design épuré et **sans rupture** grâce à la **pose sans profilé**.

FACILE À INSTALLER

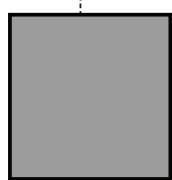

La gamme de décors **VIPANEL** est **simple** et **rapide** à installer en neuf ou en rénovation, pour une salle de bain complète ou un espace douche.
